

Register to CDX – version 4.0

This guide will explain you how to register your company to the CDX system. This platform will enable you to provide compliance data on the products you supply to Grundfos.

	Go to the CDX page by clicking on the following link: https://www.cdxsystem.com/cdx/faces/login
	You will be transferred to the CDX login page. Click ‘ ’ on the left side of the screen.

	Fill in the registration form and press ‘ ’ when you are finished.
--	---

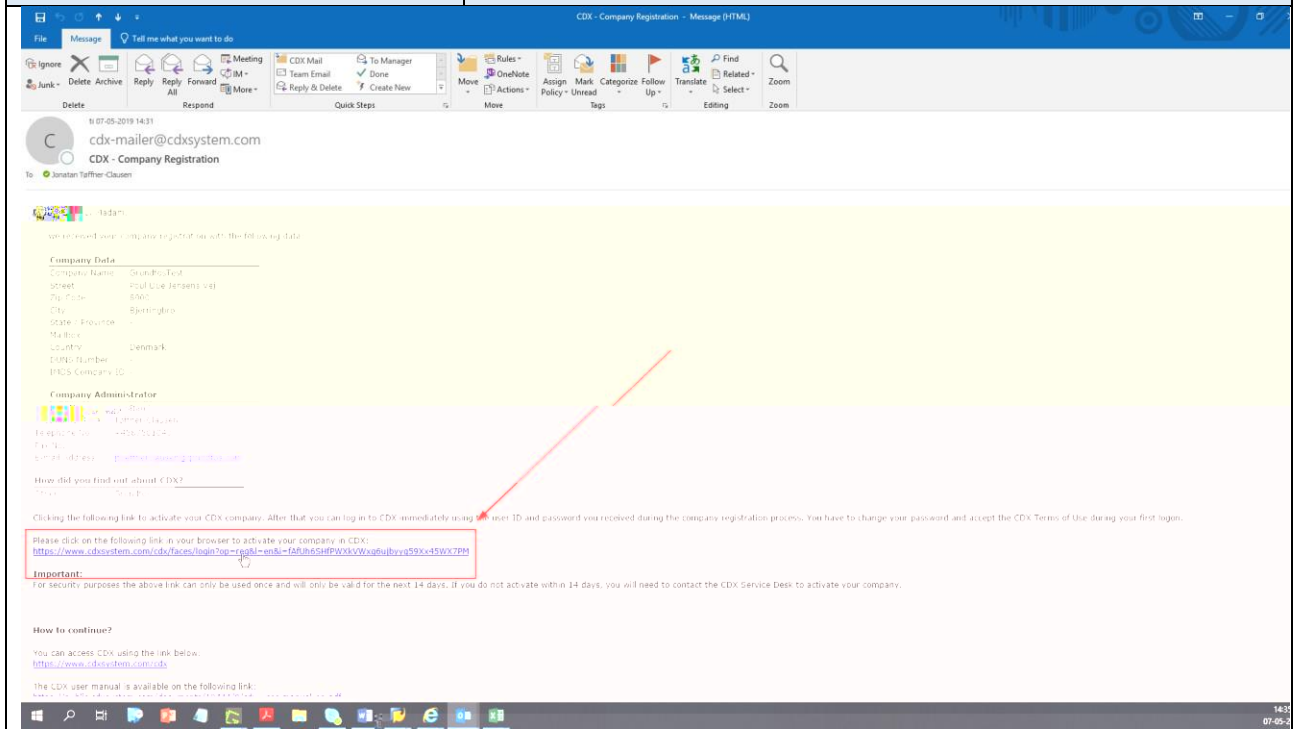

You will be transferred to the following screen where your login credentials are shown marked in yellow.
. Press ' ' to proceed.

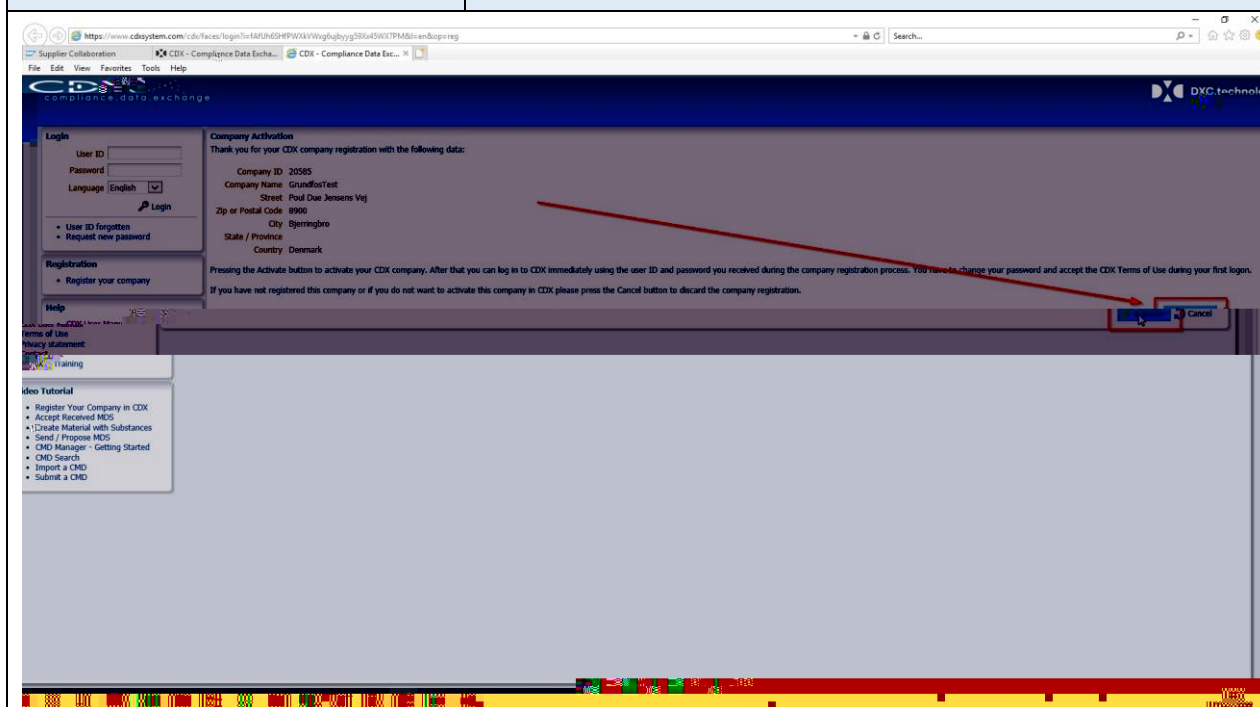

You will now receive an e-mail from CDX confirming your registration. If you cannot find it, please check your spam-folder or contact us for assistance.

In the e-mail you will

You will be transferred to the following page. Activate your account by pressing ' ' in the lower right corner.

Your company is now registered, and your account is activated.

Please send your CDX Company ID to focus-list@grundfos.com and await further instructions.

Thank you.
